## **BIDDERS ET ALTO WHOM IT MAY CONCERN:**

**This statement is provided to satisfy eBay requirements for consent to run charitable auctions. Specifically:**

- “1. Sellers may only list items on behalf of a charity if the charity has provided advance written consent for the solicitation. To prove that you have obtained that consent, you must include a scanned copy of the consent in the listing.
2. Sellers may only solicit on behalf of recognized 501c3 or 501c4 charitable organizations.”

**Special Needs Dobermans is an official 501(c)(3) nonprofit organization incorporated in the state of New Mexico. SND is committed to helping senior or special needs Dobs. That need may be in the form of financial assistance, information, or moral support. We also help with finding senior Dobs new homes.**

**In order to raise funds to help SNDobermans, we auction donated items through eBay under the eBay Seller ID:**

**doberman911org**

**All the proceeds from these auctions (minus the fees for eBay and PayPal if applicable) will go to help the particular case or cases mentioned in the auction.**

**Please visit our [About Us](#) where you can find our web site address, learn more about what we do, how you can join our group and how you can help our Doberman friends!**
